

REAL Solutions™ Logo Usage Guide

The REAL Solutions™ logo colors are:

PMS 876 Gold

PMS 295 Blue

or

Black & White

The logo comes in both horizontal and vertical designs. This provides flexibility to use the one that fits best for your application.

When using REAL Solutions™ the follow rules apply:

1. The logos cannot be altered in anyway.
2. Do not take logo apart, thereby using only sections of it.
3. The Trademarked symbol "TM" must always be included
4. Do not alter colors.
5. Do not substitute a message or credit union name for "Participating Credit Union"
6. Do not substitute a message or League name for "Participating League"
7. If you add a tag line (such as a product/program name or a section title for a web page), it must not be placed near the logo as to appear to be a part of it.
